## Circular

Dear Parents

Warm Greetings!

In order to comply with the New Education Policy and to make the new generation keep pace with the global developments and requirements at workplace. C.B.S.E. has introduced a set of Skill Subjects which could be offered at the middle school level.

Keeping this in mind the school has planned to introduce Handicrafts, Beauty & Wellness, Travel & Tourism, Coding and Food as Skill Subjects for classes VI – VIII to upgrade the Skills and Proficiency of our students and also to provide them the readiness to explore various career options. It is mandatory for all the students to opt for one Skill Subject out of the given above as per their interest.

You are requested to forward your choice between all the mentioned skills subjects in the circular which will be taught as Skill Subject in classes VI - VIII. Kindly indicate the choice of subject in respect of your ward on the consent form given below.

Once a final list has been made, no request will be entertained for the change of subject, opted for.

**Regards**
